

MINOR SCHOOL LICENSE

LICENSING FOR DRIVERS UNDER AGE 18

Iowa has a graduated driver's license (GDL) system for drivers under 18. The GDL includes three steps that provide experience to improve driving skills. **These steps include:**

Driving yourself to school is an adult responsibility that you need to take seriously to keep you and others safe and protect your privilege to drive.

HOW DO I GET A MINOR SCHOOL LICENSE?

- Be at least 14 ½ years old.
- Complete an Iowa-approved driver education course.
- Hold a valid instruction permit and maintain a clean driving record for at least six consecutive months immediately before applying for your minor school license.
- Live one mile or more from the school you are enrolled in, unless a special need exists. If you have more than one residence, where you live is the location you reside the majority of the time.
- Be enrolled in one of the following schools:
 - A public school located within the school district of your parent or guardian's residence, or located in a bordering school district of your residence if you open enroll or your school district of residence has a sharing agreement.
 - An accredited non-public school within twenty-five driving miles of your parent or guardian's residence.
- Have the appropriate school authority AND your parent or guardian sign an Affidavit for School License (form 30021) available at any driver's license issuance site or online at: <https://forms.iowadot.gov/BrowseForms.aspx>.
- You may also be required to complete a drive test at the driver's license service center.

WHAT CAN I DO WITH THIS LICENSE?

This license allows you to drive *without* adult supervision between the hours of 5 a.m. and 10 p.m. for these reasons:

- Drive from your home to your school(s) of enrollment or school sponsored activities using the most direct and accessible route. Activities must be in the school district you are enrolled in and at a site designated by your school.
- Drive to a school that is not your school of enrollment to participate in extracurricular activities conducted at that school under a sharing agreement with your school of enrollment. Activities must be in a bordering school district for public school students, or not more than 25 miles driving distance of your residence for private school students.
- Drive to and from your home to the closest school bus stop.
- Stop for fuel at the closest station to your route.

- **Drive at any time with adult supervision.** The adult must possess a valid driver's license and be one of the following:
 - Parent, guardian, or custodian
 - Immediate family member at least 21 years old
 - Driver education instructor
 - A person at least 25 years old with written permission from your parent or guardian.

WHAT CAN'T I DO WITH THIS LICENSE?

- **Use any electronic communication or entertainment device while driving.**
- **Carry more than one minor passenger that is not a relative when driving *without* adult supervision.**
A relative means someone that is your brother, sister, step-brother, step-sister, or another minor living in your household.
- **Drive to a school district you are not enrolled in for school or school-sponsored activities, unless your school has an extracurricular sharing agreement with that school district and you participate in the extracurricular activity.**
- **Carry more passengers than the number of seat belts in your vehicle, even when driving with adult supervision.**

HOW DO I ADVANCE TO THE NEXT STEP: AN INTERMEDIATE LICENSE?

- **Be at least 16 years old.**
- **Hold a valid instruction permit (or instruction permit and minor school license) for a total of 12 months.**
- **Maintain a clean driving record for at least six consecutive months immediately before applying for an intermediate license.**
- **Your parent or guardian must provide written consent** in person at a driver's license service center or complete the **Parent's/Guardian's Written Consent Form** (form 430018).
- **Complete 20 hours of supervised driving in addition to any driving you completed in driver's education.** At least two of those hours must be between sunset and sunrise.

WHAT IF I MESS UP?

If you are involved in a crash you caused or contributed to, you will be subject to additional license restrictions. If you are convicted of a traffic violation such as speeding or violation of any restrictions on your license, the following will happen:

- **First offense:** Your license will be suspended for 30 days and you must pay a fee to reinstate your minor school license.
- **Second offense:** Your license will be revoked for 30 days and you must pay a fee to reinstate to an instruction permit for six months before you are eligible for a minor school license.

Any time you have a violation or your license gets suspended or revoked, your six-month period to maintain a clean driving record will start over **after you have reinstated** your driving privilege.

MAKE GOOD DECISIONS

Motor vehicle crashes are the number one cause of teen deaths – don't let it happen to you and your friends!

Be sure your passengers are wearing seat belts and limit your number of passengers – every passenger you add drastically increases your risk of being in a crash.
